Trusted
by Company

Sewia Mining and Refinery Ltd is a trusted leader in the precious minerals industry, operating across Ghana, Dubai, Canada, and the United Kingdom. Established in 2016, we specialize in the mining, refining, and export of gold and diamonds, adhering to the highest standards of quality and compliance. Our commitment to ethical practices and sustainability has solidified our reputation in the global market.

Company History

From

2016 – Now

Sewia Mining and Refinery Ltd was established in 2016 in Ghana, focusing on the extraction and processing of precious minerals, including gold and diamonds. Over the years, the company has expanded its operations globally, establishing offices in Dubai, Canada, the United States, and the United Kingdom.

With a commitment to excellence and integrity, Sewia Mining has become a trusted leader in the precious minerals industry, providing comprehensive services to clients worldwide.

Vision & Mission

Our Vision

To be the foremost global provider of premium precious metals, recognized for our integrity, innovation, and sustainable practices.

We aspire to create long-term value for our stakeholders while upholding the highest ethical and environmental standards.

Our Mission

- To explore, develop, and mine mineral resources efficiently, using innovative technologies and best industry practices.
 - To foster meaningful partnerships with local communities, ensuring that our activities contribute to economic growth, social development, and improved livelihoods.
 - To provide a safe and rewarding work environment for our employees, promoting a culture of excellence, integrity, and continuous learning.
 - To engage in strategic collaborations and joint ventures that drive mutual success and industry innovation.
-
